“ Dea. Kenneth and Sis. Olga Hightower were the best God-parents one could ever hope for. I met her thru my parents back in 1971. When my husband and I found out we were expecting my mom suggested I ask Sis. Olga to be the baby's God-mom. She told me only on one condition and that was if we decided to have more, she would be God mom to all. Well, we had a total of 3 and she was the best God-mommy to them all. Oh how we all are going to miss that infectious smile and quick temper. She loved our children unconditionally and was always there for everyone. Phancia, if there is anything that you need, please let us know. We love you, Tom, Leah and Brittany! We are just a call away!

“ Olga was a wonderful woman with a big heart who helped all. She was a dear friend to us, especially when we needed her most, and will be deeply missed. We are certain her path led her straight to heaven where she is resting comfortably with her Lord. Deepest sympathies to the family in this time of loss.
