“ *I know to be absent from the body is to be present with the Lord. Baby sister, take rest with our earthly father and Heavenly Father. Hug them both for and from me. Netty, I know we didn't get to know each other well because we met late in our lives. Nonetheless, we share the same blood! God called you home and has placed a crown on your head. I know you can suffer no more. RIH, Love your big sis, Missy and family.*

“ My heart is truly aching. To know that my friend/sister since I was in 7th grade has departed this earth is hard to take in. You are special to so many people & I am glad to have had you in my life for 37 years. We never had an argument or disagreement. It didn't matter how long it had been since we last saw or spoke with each other, we would jump right back in as if it was yesterday. Until we meet again, rest my sister rest!
