

Annie Cropper

April 30, 1940 - March 1, 2018

Annie Gloria Cropper was born on April 30, 1940 on the Eastern Shore of Virginia. She was the second youngest of five (5) children born to Lorenzo Sr. and Lula Cropper. Sister to Virginia Drummond, Lorenzo Cropper Jr., Lois Rue and Elihu Cropper.

Annie was educated in the Accomack County school system. She was employed by Perdue Farms in Accomac, Virginia until her retirement in 2003. Following retirement, she enjoyed spending as much time with family as possible. On weekends she would regularly hit the highway with her niece Debbie as they “looked for something to do”. I often referred to them as Thelma (Debbie) and Louise (Annie) and warned them to stay out of trouble because we didn’t have bail money! 😊

Annie loved tending her plants, practicing the organ and crocheting. She worked to stay fit by walking a mile on the treadmill every day. Determined to live life to the fullest, she traveled to Delaware regularly to spend time with her grandchildren, Preston and RaKia. Her daughter and son-in-law were there too, but could never hold a candle to her two rotten “dollbabies” and most recently the new dollbaby Angela.

She was predeceased by her parents, Lorenzo and Lula Cropper, sisters, Lois Rue (Kenzy) and Virginia Drummond and brother-in-law Johnny Drummond

and younger brother Elihu. She is survived by daughter Vanessa (Eric); grandchildren Preston and RaKia (Jamier), great granddaughter Angela Charlotte; brother Lorenzo (Lena); special nieces Debbie Polk, Faye Sutton, Joanne and Marva Rue and Linda; special nephews Sewell, Gary and Wes and a host of nieces, nephews, other relatives and friends.
