“ Sending condolences to her family. Girl, you got me with this one! I never thought that last Monday would be my last day receiving our weekly hug while passing in the hallway at Christiana Hospital, saying, "Hey, cousin," we then laughed. Arlene, rest in peace. Love you

“ Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to what the bible describes our worst enemy called Death, in these critical situations it's normal to feel helpless not knowing where to turn. However, our heavenly creator has assured us in HEB: 6/11 that it is impossible for him to ever forget us, and a promise that all of those that are worthy will soon have the privilege of living again on a paradise earth. according to PSALMS:37/29. Meanwhile we can give our thanks to the funeral directors: for their perfectional assistance and their heartfelt concern toward the unfortunate friends and families.
THANKS!
