

Barbara A Powell

October 14, 1943 - June 9, 2022

Mrs. Barbara “Butchie” Ann Powell was born in Wilmington, DE on October 14, 1943 to late Helen and Chauncey Rider.

She was preceded in death by her siblings, the late Doris Trader, the late Chauncey Rider, the late Greta Rodison, the late Donald Harrison, and the late Rozie Joyner.

Barbara went to Howard High School but graduated from Wilmington High Night School. She worked at Palmer School as a playground aide for 5 years. She also worked in the Layton Home kitchen for 3 years and Christiana Hospital for 20 years where she retired.

She leaves to cherish her memory her children, Marlene Rider, Marcel Brown, Sherry Rider, Velvet Powell and Stephen Powell and her sisters Margaret Bell, Jackie Rider and Sheila Rider. With a boat load of 17 grand children, 34 great grands and 6 great great grands, she spent her last year’s taking care of her grand and great grands whom she loved so deeply and didn’t play when it came to them.

Barbara had an enormous collection of black figurines but could tell in an instant if one of them was missing. She enjoyed dancing and did it whenever she could.

She was a mother, sister, friend to all who came in contact with her. Some of her favorite shows were Law and Order, General Hospital, and One Life to Live. Another one of Barbara's favorite past time was shopping at the outlets with her girlfriends. There was a never a dull moment when her and her sister's would get on the phone all together and just chat it up.

“ Greetings Barbara Powell,

My sympathy and prayers to the Powell family. May God comfort you and give you peace during your time of bereavement. Ms. Barbara, the Mother and matriarch of her family was a sweet person who had a beautiful spirit. She was a good neighbor and a friend to many, which is hard to find these days. Whenever her family had legal questions she would send them to me for answers and they would say my Mom and Grandmom sent me to you. She trusted me to find a solution.

I will miss her loving spirit and seeing her standing in her doorway speaking to me. I know that she is in a better place, no more pain and suffering. She found her resting place in the Lord Jesus arms.

1John 4:8 God is Love, Love is a Spirit and Love doesn't die; its eternal love!

John 14:2, Jesus says, There are many rooms in My Father's home, and I am going to prepare a place for you... so that you will always be with Me where I am. NLT

Love & God Bless!

“ I worked with Barbara Powell at Christiana Hospital in environmental services (housekeeping). We worked the morning shift. One day I came in at 6:30am and I heard them talking about Southbridge. So I said my father and mother came from Southbridge. Barbara was sitting at the table and never turned around and she said to me; Where at over Southbridge? I said my father was from Apple Street and still she never turned around and then she asked me what was my father's name? I told her Herbert Thompson, but people call him Mickey. She then said to me Hey cousin. Then I said to her Your my cousin and she said yes I am your father's cousin. I went home and asked my dad and he said that he didn't know a Barbara, but he knew he had a cousin name Butchie. I went to work the next day and asked her was she Butchie and she said Yulp. I told my father she said Yes she was Butchie. He said Nacey a lot of people we knew by there nickname. He said I knew Butchie cause she didn't take no mess off of nobody. She would fight.

My father Mickey Thompson was sorry to hear of her passing. The Thompson's family will keep The Rider family in prayer.

I'm the second oldest grandchild. My grandmother was the strongest woman I knew. I aspire to have her strength. When we were young we use to call her Butchie. I guess bcuz that's wat her everyone called her. However, one day out of the blue she said y'all call me grandmom. My first born Rakim use to call me by name and she said no you make him call u mom. Grandmom, my heart is aching. I'm going to miss everything about you. First time I got my heart broke, she said Tiana you find somebody that loves you more. Gmom, I did. Her worry was my grand children wouldn't know her. No worries gmom, how could I not tell them about you. Barbara (Butchie) Powell your name, legacy, sacrafies will never be in vain. We love you, respected you and thank God for you!!!
