“ I remember when I first meet the Brady/McIntosh family, they welcome me as if I was already in the family. I remember going to Ms.Neivy's house on 24th St, we had so much fun and Melvin was so funny. Butchie was always kind, I never saw him angry, he was my buddy. Shawana I am so sorry for your lost and for Debbie, Kevin and Damon. Butchie was married to my sister and you guys always welcomed us into yours. He will be missed, Rest in Peace

“ I've been knowing Butchie ever since I was a little girl. He was like a "Big Brother" to me. My brother Junie and him were childhood friends and always were together. The last time I spoke to Butchie, he was telling me how much he missed my brother and wish that he was still here. Now he will be able to see his buddy again and talk and laugh about the good times they had together. Rest in peace "Big Brother" you will always be in my heart.
