“ *Carol, my beautiful sister-in-law oh how i will miss you. I appreciate our conversations over these many years ... I appreciate the love and creativity you shared with me in designing and making my wedding veil, bouquet and bridal flowers. Your kindness was special. Your words were always comforting during the difficult period of my parent's illnesses and deaths ... you always checked in. Your support never to be forgotten. You were my sister and I have so many memories that are held deep in my heart and will make me smile when I think of you. Rest in heavenly peace Carol until we meet again! Love always*

“ God stretched out his mighty hand and beckoned a beautiful soul to come home. Carol complied, leaving her family too soon to cherish the memories of her perfectly lived life. Words cannot convey how much I will miss her, but I have so many wonderful moments that I can rely on for comfort.

RIP my beautiful sister. I will love you forever. Sherry
