“ Certainly, here’s a heartfelt condolence message tailored to Carol Mong’ina’s siblings and the Wanja family:

---

*\*\*To the Wanja Family,\*\**

*It is with profound sadness and a heavy heart that I write to you today. The news of Carol Mong’ina’s passing has left me deeply shaken. Early this morning in Kinshasa, I felt an inexplicable weight in my spirit, and now I understand why. Carol, my beloved cousin, a beautiful soul, and a cherished member of our family, has left us. Her absence is a loss that words cannot fully express.*

*Carol was more than just a cousin to me; she was a beacon of love, kindness, and strength. Her life, though marked by challenges, was a testament to her resilience and unwavering spirit. She was a devoted mother to her son, and though she is no longer with us, her love for him will forever remain a guiding light in his life. May God grant him the strength and courage to navigate this difficult time.*

*I also remember Aunt Wanja, Carol’s mother, who passed away a few years ago. Her love and guidance shaped Carol into the remarkable woman she was, and I know she welcomed her with open arms in heaven. The Wanja family has been a cornerstone of love and support, not just for Carol but for all of us. You have molded me in countless ways, and for that, I am eternally grateful.*

*In this time of immense grief, I pray that you find comfort in the memories you shared with Carol, in the love she gave so freely, and in the knowledge that her spirit will always be with you. Please know that you are not alone in your sorrow. I am here for you, as are so many others who loved Carol dearly.*

*May God grant you peace, strength, and healing during this difficult time. Carol’s legacy of love, kindness, and resilience will forever live*

*on in our hearts.*

*With deepest sympathy and love,  
[Your Name]*

---

*Feel free to adjust the message further to reflect your personal connection and emotions. My thoughts are with you and the Wanja family during this time of loss.*

“ *Caro*

*You have been called by the Lord too soon.*

*Thank you for making me listen to Notorious BIG even though I was a Tupac fan.*

*Thanks for the plenty of laughs.*

*Thanks for a memorable Valentine's Day, I put on a coat and didn't even own one.*

*Thanks for the memories.*

*Thanks for making me know love in my teens.*

*God gives and God takes.*

*Rest easy now*

“ My beautiful sister Carol, I am still in disbelief that you are gone my dear. Growing up with you, I always knew I had a big sister. You taught me so much and I will always cherish our moments together. It breaks my heart I wasn't there for you in your final moments but I leave it to God. Rest easy now my darling and know that I love you deeply. Rest now at Jesus' feet. We shall meet on resurrection morning.

Your cousin sister,  
Kawira

“ Carol, we were casual friends before Isaac but we became real good friends at the NICU. You were my support system my sister. You were someone I leaned on when I felt lost. We were going through it with our babies in the NICU but you shared your strength with me. You encouraged me that our kids will be ok whenever we had some milestones with our micro preemies. I still haven't come to terms that you are no longer here with us. Safiri salama my sister

“ My heart is broken dear sister. This was too sudden, too soon & at such a young age. The strongest woman I know and I wish God gave up more time to continue growing closer, I promise to take care of Isaac just as I do my own children. Please rest easy baby sis knowing he is in good hands! Forever in lit hearts

“ During the years I had the privilege of working with her, Carlyne consistently demonstrated a wonderful spirit, showing kindness, sweetness, and an unwavering eagerness to learn and help others. Her positive attitude and warm heart were felt by everyone who had the pleasure of working with her. She had an incredible ability to brighten the day of those around her with her genuine smile and caring nature. Her dedication and willingness to go above and beyond were truly inspiring and left a lasting impact on our team.

Our thoughts and prayers are with Carlyne's family during this difficult time. We extend our deepest sympathies and warmest wishes, hoping they find comfort and strength in the cherished memories of their beloved.

Rest in peace, Carlyne. You will be deeply missed and forever remembered.
