“ *Cousin Bunny, you were always so very cool and suave. You could dance your butt off on the dance floor! You gave nicknames to just about all your nieces and nephews. And even though, I was a cousin, you gave me one, too... "Pick-Pocket".I don't know how you came up with that name for me, but I was just happy to be included as one to have a special nickname. Sending prayers and condolences for our family, especially your wife, Mary and children. And all the children of your beloved sister, Barbara. God's peace to the family.*

“ *Dad, We little knew that morning that God was going to call your name. In life we loved you dearly. In death we do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you the day God called you home. You left us peaceful memories your love is still our guide; and though we cannot see you, you are always at our side.*

Love, Speedy and Brian.
