“ Dear Donna, Ricky and Stephine this is your cousin Karen. I just learned of the passing of your dear mother Aunt Cynthia. I'm so very sorry and offer my sincere condolences. I remember when your parents, Danny and Donna lived with us for a while in Darby, Pa she loved playing Pokino and I enjoyed watching them play. My hope is to see your mother and my mother again on a paradise earth which is made possible by the ransom sacrifice of Jesus Christ. Love you all.

“ Donna, Stephanie and Rick I am so sad to know that Cynthia has gained her wings and passed. She had been on my mind for quite a while and I am hurt that I did not get to connect with her. Your mother was like a mother to me all through out my child hood and early adult years and she taught me many things about life during that time. I will miss her and my heart is heavy knowing that I cannot visit her now. Keep your faith in the Lord. and I will pray for us all. Sending my heart felt condolences and love.
