“ *It has been a year since you left us and I still miss you Fam. The long talks, the exchange of Knowledge and scripture. There will never be another like you Bus. Continue your rest with The Most High. Prayers of comfort for your family and your children I pray to The Most High on this day.*

“ Damon I still can't believe you're gone. I'm going to miss your daily prayers and our bible talks. Your great work here is done. The Most High is building his army and got a real soldier up there now. May you rest in heavenly paradise my friend. My sincerest condolences and prayers to the family.

“ *I love you so much Daddy. I'm really going to miss you. I can't even believe I'm writing this... it really just doesn't even feel real. I know we can't question The Most High, but I just wish I knew why 😞 why you? why now? ... Watch over us dad, we'll continue to make you proud.*
