“ I got to work with Darryl for four years. He was a cherished member
of the Weinstein family, who for more than 24 years lifted the spirits
of everyone around him; his teammates, customers, and vendors.
His positive attitude, strong work ethic, and his light-hearted spirit
earned him friends everywhere he traveled. Darryl touched the lives
of everyone who met him, and I am grateful to have known him.
Thank you Darryl.

“ 😊 My Daddy, what an amazing person to have in the world! 😊👼 angel from heaven. Sent to protect with big muscles and strength to uplift! Thank you Daddy for being such an amazing influence to me! Forgiving me for all the nonsense. I know being a young parent can take an effect on how to raise a child but as a visual appearance you set the tone! Carrying yourself with confidence and ordinance. Might i add Im grateful to have found someone that can fill my Daddy's shoes and bond with the flower left behind. What a man should and could be! I love you forever and always Daddy! Im glad to be blessed with you as my Father on earth! May your soul rest in heavenly peace 😊😊 😊

“ My name is Dan Kirk. I worked with Darryl at Weinstein Supply for the last 14 years. Darryl worked hard everyday. He never complained about anything. I had a lot of laughs with Darryl. All of our customers loved Darryl. I have had so many of our contractors reach out to me when they heard about Darryl. I was crushed when I heard what had happened. He made our work place a happy place. I am so sorry for your loss. He will truly be missed. He was a great man. I miss Darryl !

If he was rocking I was rolling..... shared so many laughs and tears with him....when my kids were young he was Uncle Cook....so many Eastlawn & 35th Street memories...Rest in Peace my friend....Your existence will always have sentimental meaning
