I am sending you a dove to heaven, with a parcel on its wings. Be careful when you open it, Its full of beautiful things. Inside are a million kisses wrapped up in a million hugs. To say how much I miss You & to send you all my love. I hold you close within my heart and there you will remain, to walk with me throughout my life until we meet again. I love you with all my heart always have and always will. Love Maggie

“ *My heart still aches as I long to see your face. Not a day goes by that I don't think about you. I will always cherish those nasty wet kisses on my cheek. How I wish could just have one more. But I have peace in knowing that you finally found peace and I have peace in knowing that one day we shall meet again. Love always*
