

## Gladys Mack

March 25, 1949 - October 3, 2024

Gladys Miller Mack was born on March 25, 1949, in Edgecombe County, North Carolina to the late Clyde Miller and the late Lendora Pittman Miller Hart. Gladys entered her eternal life at 11:59PM on Wednesday, October 2, 2024 at Christiana Hospital in DE.

Gladys was educated in the Edgecombe County Public School System. Upon graduating from the Phillips High School, Battleboro, North Carolina in 1967, she married Curtis Mack and moved to Philadelphia, PA to start her family and a career. After her divorce, she later moved to Washington, DC working as a clerk for several years at Exxon Mobile. In 2007, she moved to Wilmington, Delaware.

She worked as a Social Worker at Porter Service Center for approximately eighteen years. This was a job she loved and it was the epitome of who she was, always willing to help others. Known to all of her co-workers and clients affectionately as Ms. Mack, she faithfully worked until her health recently began to fail her.

When facing hard battles, sometimes she failed, but as a fighter for life she would always say, "I'll be all right" and as she promised, she got back up in victory. She knew that God had promised through faith in her Savior Jesus Christ, that He had come that she might have life, and that she might have it

more abundantly.

Gladys was preceded in death by her brother Benjamin Hart, Jr. at an early age.

Gladys leaves to cherish lots of fun memories and a lingering hunger for her delicious fried chicken. One daughter Curtissa Mack of Wilmington Delaware, five sons, Kelvin Mack (LaLaine) of Las Vegas, NV., Jahmal Mack, Antwan Gantt, Lazlo Mack, of Maryland, and Brian Mack of Wilmington, De. Five sisters, Prophet Brenda Allen of Landover Maryland, Elder Alberta Pettaway (James) of Tarboro, NC, Evangelist Linda Wilson (Donald) of Bowie Maryland, Hassie Dumas (Douglas), Newport News, VA. and Dora Ellison of Rocky Mount, NC. One brother, Elder Larry Miller (Margaret) of Brandywine, MD. Also, three grand-daughters, Kyree, Amari and Valencia; three grandsons, Alonzo, Jerome, and Sameer; two great-grandsons, Haaj and Jaspen and one great granddaughter Kali. A host of nieces, nephews, beloved cousins, other relatives, and friends.

*To the family of Gladys Mack:*

*I am so sorry I am just learning about Ms. Mack's passing. She was such a beautiful lady inside and out. We became friends when I came to work at the Porter SSC for about a year. She always gave her best to help clients and helped my step daughter one time when her electric was d/c by getting her whole past due bill paid (over 2 grand!). She loved helping people. I will miss my drop in visits to Porter SSC and hearing her say "hey Carol". The family is in my thoughts and prayers.*

“ To the family it is sad to lose a loved one, but we didn’t come in this world to stay. Gladys lives a happy life, and she loved her family so much. Now the chair is empty. when the days seen cloudy just look up and say My God, I thank you for giving me my mother for seventy-five years, His grace and mercy will bring you thru it all. As your grandmother could sing that song welcome home, I know she is telling Gladys come and sit a little while. RIP my cousin Ella (aka Buckwheat).

“ Awww man Momma Mack I don't know where to start. When I came to start working at Porter you welcomed me with open arms. From that time you became momma Mack to me. You been there for me through all of my toughest times this life has given me. You was there for me when I had my first baby and you call him our grandson. You didn't play about your baby. Then when my mom transitioned you was there and checked up on me and you got to meet her and told her you will look out for me. You kept your word. Then when I had my last baby you looked out for me again. Your selflessness was contagious and I love you for that always. You put everyone before you no matter what or who they were. With work you always looked for the gray area so you could help your clients. But I appreciate you so much and this so so hard for me. You will be missed and have fun with my mom. Forever in my heart love Your moody baby. Michelle 💜💜💜

“ Ms. Mack - Porter Center...I always associate her name with LOVE. When I came to Delaware and was working for STEHM as their Motel Ministry Administrator, Ms. Mack was a God Send! She mentored a country girl from NW New Jersey with no experience in Social Work and gave me a gift I could never repay. She helped me transition into the person who could feel true empathy for people whose circumstances were so different than my own. I feel so Blessed to have known her. She was truly righteous and will be missed!

*Mackatack, as we so fondly called you. How am I going to carry on? You Ms. Mack, so full of life. I got my instructions from you, a100 times a day? Let me tell y'all, you only had to speak with her once, to know she was a sweet Lady, a no nonsense Lady. I thank God for her loving heart. I loved how she worked on her job, with energy, integrity and care. I loved how she shared herself with wisdom, freely sharing with her colleagues, and how her clients were all of her children, because there was no one like Ms. Mack to them. I wish to thank you Publicly Ms. Gladly Mack for being a "Rare Diamond," "one of a kind." A good mother, to your daughter and your sons, and to them grand-babies, and great grand-babies. Ms. Mack, was a Lady of style with confidence, and tenacity to boot. "Sunglasses" Oh, I am sure the brilliant bright glow of heaven will have you in need of them. I will make sure you have a pair, at your send off. I loved how your faith showed up and showed out in our family and in your environment, exemplifying how blessed it is having a relationship with God. Privileges like a Queen. A relationship so evident proving, More Than A Conquer. And how (He) God will take care of His own. And you Ms. Mack Surely was His own. Well done My Friend, And My Sister: Well Done!*

*To the family of Ms. Mack, I was the last person who seen Ms Mack at the Porter Center and I literally walked her out of the building because she refused for anyone to drive her home. Believe me I tried. You don't mess with Ms. Mack when she is determined to do something. I owe my career to Ms. Mack because she wouldn't allow me to give up on the job more than once. I truly admired and loved her  
The day we got the news of her passing, I was moving on to another position. I said to the lord, Ms. Mack was still looking out for me. Family know she is loved and will always be around. She is truly an angel.  
Love to Ms.Mack and the family.*
