“ I never imagined having to experience this deep of a sadness, the pictures we shared hold so many memories Jada I love you so much and miss you dearly 😭😭 Looking at our photos brings me back to the day we took them and the amount of feelings I feel is crazy. I can still see your smile, hear your laugh, even sense your touch 💕💧 I know your one of my angels in heaven guiding me. I love you forever my braceface and name twin 🍌🍌🍌
