“ To my extended family from Connell Street, The Boyer/Wright family sends or deepest heartfelt sympathy and condolences during this difficult time of the loss of your dear”James” 🙏🙏 Hearing of his passing I was saddened, hurt, lost and confused wondering what happened cause he didn't bother anyone he's a good guy.💔💔💔 When I was in the the hospital with a concussion all by myself in the ER, he stayed there all night with me until they decided weather to keep me or not he never left my side in that hospital. As much as I told him I would be okay he could go home because the family was worried about him they didn't know where he was, not answering the phone like he would do thinking he's grow 🤔🤔. I said answer the phone so they know you're okay you're okay and where you're at, he did along with telling them that he was with me 🧑🏾👤👤 only him. That's the kind of FRIEND/MAN/PERSON he is gone too soon will never be forgotten, known by many all over town to know is to Love Him 🙏🙏💔💔💔😭😭 Rest In Peace Family my childhood friend 🙏 (as you would say west side 4Life) Family continue to be there for one another and loving on each other life is so short.... 🙏🙏🙏🙏

I'm going to miss you”JAMES” aka “FAM”making me laugh😭😭💔💔
