

## Jiquese Damont Dolley

January 21, 1994 - June 17, 2022

Jiquese Damont Dolley affectionately known as “Kese and Ji” was born January 21, 1994 in Christiana Hospital Newark, DE. God whispered well done my faithful servant it’s time to return home on June 17, 2022 and he answered. Jiquese was born to Andrienne Dolley of Dover, DE. along with God-Mother Heather Taylor.

Jiquese received his GED with Groves, and received his flagger Certification and attended Wilmington University. Jiquese was a loving and proud father of two children his greatest accomplishment in his eyes.

Jiquese loved being around family and friends. He loved people in general, everyone he meets he wants to know all about you. How you were brought up, what’s your goals and your input on what’s going on in the world. He was very interested in different religions and the origins. Jiquese' mind was a sponge that soaked up everything. You definitely was in for a good conversation that could last for hours. Don’t worry he will return the next day to continue if he wasn’t finish.

Jiquese enjoyed playing his numbers and playing chess he said it makes you think and strategize. He built a bond with his friends from the Westside and looked forward to going to hang out and to make sure his little cousin Milan made it to the ice cream truck. His first stop was his fresh Tee and splash of

oil and some fried chicken. Jiquese loved to eat and try new foods. He talked of the family traveling the world saying it's so much world to see.

Recently Jiquese worked at the Dolley Family business and affectionately cared for cousins J'Abria Rogers, Jabari Saunders and Jaliah Miller.

Jiquese is preceded in death by his Grandfather Perry L. Price.
