“ Aunt Katherine, you are one of the realist down to earth aunties. you are like a girlfriend you can tell all your secrets too. I was thinking about the times when I was young and use to walk straight up 14th street to your house. a great memory is you are my mom's girl! you too were tight! I used to hear you and her on the phone laughing it up. Thanks, Auntie, for loving me. Thanks for the talks when my mom was sick, passed and helping me get thru it. You set the standards long ago for sharp haircuts auntie! I will make you very proud of me!

Family I love you and have and will continue to pray for you!

Love, Clarettaschild
