“ Kerm, this hit the world very hard right here buddy. And I do mean real hard. Where do I begin. Little kids growing up together, hanging in the guards for years and last but not least, an employee of yours at your bar (City Tavern) as a bartender and an un-biological brother and sister for life. You will be missed dearly. The City of Wilmington is crushed and left with a hole. All the fun we had growing up. To Tom, Keith, Animal and the rest of the Barnhart's, My deepest condolences to you all. To his children, I pray for your strength everyday as you experience this difficult time and throughout. To his mother: Ms Doll, his legacy will live on within everyone he's touched because his heart was extra big. To his brother's 4 life (THUNDERGUARDS): You've lost a real legend and my sympathy is with you all as you struggle thru this difficult time. R.I.P Kerm (aka Slim Jim) to me.
