“Larry I remember the first day I met you in Eden Park. We were hanging out in my DAD'S van. I will always remember going to get to dinners from the lady by West center City. I will miss the late night phone calls laughing and reminiscing about all the crazy stuff we did. I will always remember your nickname for me Mixmaster lol. Only you and I know what that means. Love you baby forever and I know you always knew that..... Bernadette Wilson aka Moochie
