“ For years I have searched for Ms.Lacey she was my all time favorite teacher but she was so much more , my mom wasn't around when I was in elementary school so she was a mom to me , to hear she passed just a month ago and I didn't get to thank her for helping me become the man I am today , She has always had a special place n my heart !

“ Lilliane you will be truly missed. You are definitely a role model for all of us. You wore many hats and you wear them well.. Mother, Wife, Teacher, Business Owner, Mentor.. I am glad to have known such a kind a soul.

With Love, Joy Jackson

“ *My Lilliane has gone to be with her Jesus. This is so bitter sweet for me to think about.*

We talked face to face about three hours March 7th, 2020 at her house. We shared old times, and how we are today. We even had some laughs just two old friends. I only have good memories of my friend even when both of us were "going though".

I never considered that would be my last talk with her. I can still see her standing at the front door step fighting fatigue as she walked me to the door. How would I ever know that was our last laugh this side of heaven. I keep myself going by thinking about me and "Lil".

I've been blessed to walk with her. "All is Well" Cheryl
