

Mariealice Jeanniton

August 1, 1965 - April 2, 2018

Mariealice was the daughter of Marianne Douge (deceased) and Alix Arty and stepdaughter to Lorraine. Big sis to Betsey and little sis to Alix. Devoted wife to Feddy for

31yrs, loving mother to Shari and Joelle, and son-in-law Chris. She was 'Lulu' to Channing and Carter and Tatle to Darius, Skye and Raphael. Many family and friends, even her rambunctious Roxie, will affectionately remember her.

Although a native New Yorker, Delaware quickly became her home and where she started her career with MBNA and continuing with Bank of America for the past 22 yrs. Marie

often spoke about her job as a Fraud Analyst and all the interesting cases she was working on, a regular Sherlock Holmes.

When Marie was not at work she was often found reading 2-3 books at a time. She loved to travel, recently taking a trip to France. Watched the Twilight Zone Marathon every NYE eve. She also loved watching HGTV for her home projects and CNN to keep an eye on Washington. Attending many political events, she once had the honor of meeting VP Joe Biden with hopes of meeting President Obama. She was ready to engage in political banter at any given time.

Because of her love for the arts, she often volunteered with the First State

Ballet. She assisted with costume and set repairs and provided home cooked meals for the dancers.

She also loved music, dancing and going to concerts. Marie was a great hostess and often cooked Haitian cuisine for her family and friends. To know her was to love her.

She will be greatly missed.

“ *Family, I worked with Mariealice and I remember when Shari and Joelle were little. She was so fun to be around and had a great sense of humor. We were at MBNA together as well as Bank of America. I'm just now seeing this and my heart is breaking. I have lost a good friend and my father in 2018. My love to all*
