“ Forever in my heart forever on my mind 🍷💔🍷 never question gods timing but I still can't believe your gone so soon ! Your were a great big cousin , aunt , mother & grandmother. Your love will never go unnoticed you'll always be remembered as big hearted, & very welcoming! You had enough love to make sure everyone felt it even strangers who became family due to the purest parts of my Hammond family ! Who make sure nobody ever feels left out. Those who didn't feel like they had family knew the Hammonds was always there in support of that. And made them one of our own 🍷🍷 I love you 4! Naco you'll forever be missed. You ain't sherry & block reunited as one make sure you tell her I love her dearly mf nobody can ever cover for her still 13 years later she's still my leading lady !!!

Naco and I went to school together. We used to see each other from time to time when she worked on Gov Printz Blvd. Sending her family and friends my deepest condolences.
