“ *My Condolence to the family and friends. I met Quinton when i first started working at Neighborhood House, he would come there for programs and sports. Quinton stood out, because he was the good in sports and had a way with him. (Confident) He was always respectful with me, Mr. Bernie and Coach Kevin. Coach Kevin would always tell Quinton to slow down and listen, He knew he was good in basketball and felt know one couldn't match up to him accept maybe some of his peers in SB. I offen would see him in the last month passing and he would say. Hi Miss Cyn with a hug and love you I would say and he would do the same. My heart hurt, But to know that Quinton know who his Lord and Savior was has easy my pain that I would see him again. I will continue to pray for his family and SB family. Love Cynthia Wms*
