“ *I worked with Ramon on a project that span over a decade. He was always helpful, kind and pleasure to work with. He may not have realized that his efforts helped Penn Medicine advance cancer clinical research. I am glad to have known him.*

*Deepest sympathy,

“ *To Ramon's Family and Friends. I am so very sorry for your loss. I worked with Ramon for a good few years and he was such a sweet man. He always had a smile and was always so interested in how everyone was doing. A kind heart and gentle soul who will be missed by many. Love to all who had the pleasure of crossing paths with Ramon.*
