

Ronald Edward Brooks Jr

January 25, 1970 - September 14, 2023

Ronald Edward Brooks Jr, age 53 went home to be with the Lord on Thursday, September 14, 2023. He was born January 25, 1970 and raised in Wilmington, DE. where he received his education in New Castle County. Ron met the love of his life Taneica in 1991 then united in wedlock in 1996. To this union two sons were born Daequan and Jaedin also born to Ron is his first son Ron III (Ronnie).

Ron had been a working man since he was 16 years old, worked for several companies until he landed his best and most current employment with Air Liquide in 2005. He really loved his job, said it was the best he ever had, he loved his co-worker most of all, more like brothers than coworkers. They were important to him, he had so many stories to tell.

Ron loved bowling, spending time with family, going on vacation and his most recent obsession, taking care of his aquarium and fish. Ron was also a huge football fan; Dallas Cowboys was his favorite team and he would talk to anyone about Dem Boys, trash talked Philadelphia Eagles all day all night.

Ron was truly loved and will be remembered for being such a caring and giving person. He was always kind to everyone, always had a smile on his face. Always willing to lend a helping hand. Ron also made the ultimate decision to be an organ donor because of his gifts more lives will be blessed and saved.

Waiting to welcome him home are his parents who preceded him in death; Ronald E. and Litrella A. Brooks as well as his grandparents, uncles, aunts and cousins.

He leaves to honor and cherish his memory, wife Taneica Brooks, sons Ronald Brooks III, Daequan McLean, Jaedin Brooks, brother Terron Brooks, niece Shanae Brooks, nephews Terron Brooks, Kyree Brooks, great niece Ashlynn Robbins, parents in law Orin and Mary McLean, sister in law, Lakeisha McLean, nephew in law Brian Jackson and a multitude of family and friends.

“ *Ronnie, Terron and I grew up together more like brothers and sister more than aunt and nephews. I'm so proud of the man he grew to be. He will be greatly missed. Just wanted to hear him say hey Stace in that baritone voice one more time. Dionne and boys we love you. We're here for you.*

“ *To Dionne & family, to Terron and my son, Ronnie. I just cannot believe he is gone, please know I have been praying for all of you. You know how when some fathers are put on child support they would leave their current job just so they would not have to pay child support. I appreciated Ron for not being that type of father, he paid from the beginning all the way until our son was 18. That spoke of his character. I am so sorry for your lost, may he rest in peace.*

To The Family Of Ron Brooks

I had the pleasure and great fortune of working with Ron over the last decade at the Air Liquide Plant in Newport before retiring in June of 2021.

Ron was the "midnight rider", always working the night shift while being more efficient and productive than his daywork peers.

Thru the years we had so many great late night conversations about family, life and the Eagles that I always enjoyed and looked forward to.

Rest In Peace Ron.

Sincerely, Bob Huss
