“ I'll miss how Sarah would always laugh and smile. She would tell me that she was daddy's favorite because she was his first child. She always would say I'm okay no matter what was going on in life and even though we lived so far apart our love for each other kept us close in our hearts. She's in the hand of a just God in whom she put her trust. We love her but Jesus loves her best. For "God so loved the world that He gave His only begotten Son that whosoever believeth in Him shall not perish but have everlasting life". Michael

“ Cuz I can't believe the last time I talked to you on Monday was gonna be our last conversation. I told you I loved you, you said you loved me. I know you're resting in heaven now. I was so glad I was able to see you at the hospital, but I was too late. God had already called you home. However I spent time with you and said my good byes. Take your rest, you are free now. Free from EVERYTHING !!!!.. I'll miss and love you always. Your cousin Audrey & Ray... ALL I CAN SAY IS WOW !!!!
