“ This still hits me so hard Aunt , I'm so glad we got to talk before you passed. Our relationship wasn't always the best we stayed bumping heads cause we're so much alike lol. I miss you immensely, you didn't even get the chance to formally meet muffin, but I'll make sure she knows exactly who you are. Just wanted to come and spill a few words tell mom mom , pop pop , and my dad I miss them. Continue to keep watching over me , your kids , & grandchildren. Love you so much Aunt Tanya!

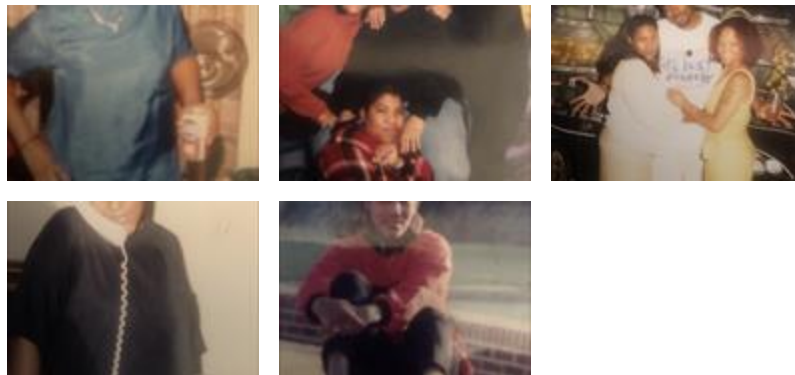

Love always,

“ To the Family:
Please accept my sincerest condolences on Tanya's passing. I am shocked and sad to hear this. She and my daughter were the best of friends when they were middle school. She was always a very sweet and mannerly young lady. May God continue to bless you all.
