“ I’m so very saddened that I didn’t have a chance to meet Vernay’s beloved Son TJ. My heart goes out to “my sister” Vernay, her family and other loved ones. Vernay, Wanda, Lisa and I were the best of friends during our time together many years ago at South Carolina State College. Vernay, I will hold you and your family in my thoughts and prayers. I am praying for your comfort and strength in coping with this unimaginable loss. May you find peace in your loving memories that you shared TJ and may his soul rest in peace.
