“ *Times such as these tend to bring on moments of reflection. Remembering our younger days, when we were both full of vitality and excited about what lay ahead, we could not imagine life's twists and turns. Although we were destined to walk different paths what we shared together will always remain with me, namely the gift of a son and cherished memories of days spent together in our youth. Rest In Peace Pat. May God bestow all his blessings upon you.*

Another Chain from our "Girlfriends Day" has been broken. I met Pat when I was 12 years old via my cousin, Paula. Pat loved to eat and I will always remember our Golden Corral, LongHorn Steakhouse days. Rest in Peace dear friend.

My Dear Niece, Pat,

You were called, given your wings and swiftly flew home. Unexpectedly for us you left without notice. One can only imagine the joyous celebration it was when you reached your mansion in the sky. No more pain, no more suffering, a new body rejoicing with our love ones and the other saints. Your strength, unwavering faith and an attitude of gratitude was your testimony each day. Pat leaves a legacy of love, empowerment, selflessness, kindness, courage and numerous other attributes for our family and for all who knew her to emulate daily. She was the epitome of a Christian and a strong woman of faith. I will always cherish our phone calls, updates on your progress and our praises to God. I love you and I miss you. My family, you are in my loving thoughts and prayers.

With Deepest Sympathy,

Aunt Hattie Cooper Fleming

My heart broke when I got the call. I called you that Thursday to check on you. I know you told me you were tired but I didn't think God would carry you home so soon. I will always cherish the times we shared the good and bad but God always seen fit to have us reconcile. I remembered the last times we talked, we always told each other we love one another. Now you have gone home to be we our Lord and Savior Jesus Christ. I pray God will answer the many prayers we prayed for. GBNF🙏🙏🙏
